## MINDFULNESS

This box includes a variety of wellness products that will inspire you to pause, practice self-care, and make sure you have the tools to combat the stress of the "new normal".

# Create your own message!!

Sending a message is easy, but how it's received sometimes lacks engageability. That's where we come in, we work with you to curate a message around what you're wanting to convey to your workforce. We're happy to include carrier educational inserts to help boost engagement in preventative care, EAP core wellness programs and beyond!
